ART

→ Stradom House: Secrets of the Building, History & Art

24.09 Thursday 18:00 Monthly Event

A curatorial tour of Stradom House. This world-famous, most luxurious hotel in Krakow is located in the former monastery founded in the 14th century by Casimir the Great and later converted into military barracks. The renowned ADC Atelier from Barcelona undertook the adaptation of the space into a luxury hotel. A 10-year renovation of the building resulted in a unique space that combines Krakow's heritage and modern trends.
